### **WHY SHOULD I JOIN THE FRATERNAL ORDER OF RETIRED BORDER PATROL OFFICERS WHEN I'M NOT RETIRED?**

- ⇒ The Fraternal Order of Retired Border Patrol Officers was created in 1978 to foster and continue relationships that began in the Border Patrol but had eroded due to time and distance. FORBPO is exclusively fraternal in nature and has no political, commercial, or controversial commitments to muddy the waters.
- ⇒ FORBPO is not just for retirees! Active duty Agents are eligible for membership even though they are not close to retirement. Whether you've got years to go or are close to retirement, FORBPO is a great organization to stay in touch and continue to aid those still serving.
- ⇒ Your membership helps the families of Agents killed in the line of duty. FORBPO will immediately send \$1,000 to the family of an Agent killed in the line of duty.
- ⇒ Your membership helps families of active duty Agents who are facing education expenses! An essay contest for the children of active duty Agents will be sponsored and the winner will receive a scholarship and have his essay read at the next FORBPO convention. Another scholarship will be provided to an active duty Explorer member.
- ⇒ Your membership helps continue the camaraderie that started in the first hectic days of the Academy and carried on to the banks of the river, or perched on some sand hill or a snowdrift out in the middle of nowhere. You'll have on-line access to contact lists for friends and co-workers and you can attend the annual convention to renew acquaintances and meet others with shared experiences.
